Lorena and Dan-

This cart is currently stored unlocked and in our yard with ice cream in it. It has apparently been there for more than a couple of days. We are concerned that ice cream will walk off and cause more issues. We can't have this cart on our property for sales as it competes with our ice cream sales onboard. We also don't want to be responsible for storage and what happens to the cart.

Can you let us know your plans with this?

Hi Dan,

There was one ice cream cart delivered to the Iowa. I believe there was another one delivered somewhere else.

Joe dropped off the keys at the office. I just wanted to let you know.
